

February's Home Project

Truth Scroll

Our "Truth Motto"...

This scroll is to be created and made into a magnet for you to place where it will be visible to all and a reminder on the importance of being a truthful and loving person.

DIRECTIONS:

1. Read the following phrases and give each of them some thought::
Tell the Truth Speak the Truth Be a Person of Truth
Live the Truth Walk the way of Truth Give Witness to the Truth
2. What do these phrases mean to you and how do they apply in your life. Take some time to discuss with others.
3. Agree on one that will work as your "Truth Motto" for the month, or better yet, we suggest you come up with your own "Truth Motto."
4. Write that motto on the scroll above and then cut out the scroll from this sheet.
5. Decorate the scroll however you wish and sign it as a pledge to be faithful to the motto.
6. Glue magnet to the back of the scroll.
7. Hang it where all will see it.
8. Live it.
