

Community Garden

Planting Day!

Sunday, May 22nd (weather permitting)

After 11:30 Mass

Everyone is invited to help plant the garden!

Label and bring your own gardening tools

Snacks and water will be provided

The SS John and Paul Community Garden is an organic vegetable garden where fresh produce is grown, harvested, and donated to area food pantries. Last year we donated approximately 1300 pounds of fresh produce. Join us in our third year of this wonderful parish project. Look on the bulletin board, on the parish website, and in future bulletins for more opportunities to help in the community garden including “adopting” a crop this growing season! If you have any questions please call Bridget or Paula at the church office.
